### What to Know Before You Visit:

- **Parking:** Niagara City Cruises does not have a parking lot, however, there are a number of paid public parking areas nearby and along the Niagara Parkway. Please allow for additional time to park and make your way to the boarding location.
- **Full Mist vs. Light Mist Experience:** Before sunset, boat tours sail into the heart of the Canadian Horseshoe Falls for a full-mist experience, while after sunset, for regulatory reasons, boat tours only sail to the outer edge of the Falls for a light-mist experience.
- **Safety Screening:**
  - All guests and personal items may be subject to screening.
  - Guests are permitted to bring a personal item. Personal items include a small purse or handbag, small backpack, infant diaper bag or camera bag. Maximum dimensions are 17.8 x 38.1 x 40.6 centimetres (7 x 15 x 16 inches).
  - Restricted and dangerous articles are strictly prohibited. This includes but is not limited to: suitcases of any size, carry-on luggage, overnight bags, roller bags, briefcases, coolers, trunks, dangerous articles, and all other items that exceed the maximum dimensions for personal allowances.
  - Please note that additional personal item allowance and entry restrictions may be imposed at the checkpoint without prior notice.
- **All guests riding the boat (including infants) require a ticket to board.**

- **Outside food and beverage is NOT permitted.**
- **Wait-Times:** please note although your pre-purchased ticket allows you to skip the Ticket Booth line, during peak periods (i.e., Mid-June to Labour Day, plus Holiday Weekends), peak times (i.e., 11:00am to 6:00pm), and other periods with high visitation, please expect line-ups to access the Lower Landing and to board the boat. As a result, we cannot guarantee that your departure time will take place within the booked cruise time slot. We appreciate your patience and understanding.
- **Niagara City Cruises is a smoke-free environment** including no smoking of tobacco and cannabis, as well as no vaping.
